*Loving the modern look of  
Nature Inspired Bathroom*

If you are a nature lover, you can bring those vibes to your bathroom, too. We brings forest green concept with beautifully mix of rose gold finishes. This can be modern, vintage, glam, retro and even minimalist. This delightful mix creates a beautifully warm pink hue that goes well with everything, especially in the bathroom. Designed to offer the same effortless style as a classic metallic shade, fittings with a rose gold finish exude luxury and elegance, perfect for those looking to upgrade their space.

## CAPPADOCIA CAVE BATHROOM

We are talking about a place that really exists. Fairy Chimneys exist all over the world. They are sometimes called Hoodoos, Earth Pyramids and Rock Tents. In fact, they are rock formations, and the Cappadocia Cave Bathroom was first carved out around 200 years ago. That is a very recent action for the historical region of Cappadocia in Turkey, where it is located.

"BLACK IS ALWAYS ELEGANT"

## BLACK LOUNGE CONCEPT

*Black bathrooms are having a moment. Stylish, sophisticated and easy to match with other shades, black just could be the colour we are seeing the most in the bathrooms. So here is the fabulous black bathroom idea to inspire your living.*

*Strong aesthetic and appealing impact with Geometric Grid design. Like a real sculpture, The Matrix faucet mixer is so worked inside that it evokes the dynamism and geometries of a 3D effect.*

**MUNK**

Material : Solid Surface Stone  
Size : 1220 x 813 x 394 mm

The image shows a dark, minimalist interior space. In the upper left, there is a glowing white circular element, possibly a light fixture or a decorative detail. Below it, a curved, illuminated ledge or shelf extends across the frame, casting a soft glow. The background is a dark, textured wall or ceiling, with subtle lines suggesting a grid or paneling. The overall atmosphere is modern and industrial.

Munk with its sweeping curves and compact proportions. Munk is a beautiful and bold choice. You can offset its curves with industrial accents.

Intelligent mirrors projects direct light, eliminating shadows and distortions, to create the best environment for make-up application, shaving or that last check before you go out into the world.

**Prime Madrid** is the new collection for **COLSTON**. An excellent and high-quality series expressing rigorous and essential design which complements the Contemporary Lines. The angular body, defined by a clean, decisive profile, is the result of a skilled stylistic exercise in subtraction.

The lever, with significant dimensions balanced by a thin profile, is the result of a study on detail and proportion, perfectly combining aesthetics and practicality.

# Color THERAPY

Chromotherapy is not only a beautiful play of light and colours. There are several studies certifying the functionality of chromotherapy and establishes emotional balance for dealing with everyday tasks. From the range of chromotherapy colour, so related to relaxation and tranquility, to the vital energy by warm chromotherapy, together with the effects of the different water functions, can lead to highly benefits for mind and body.

- White is pure and clarifying to the senses, as well as the mind.
- Yellow is hopeful and stimulating, especially for creative thinking.
- Turquoise is serene and stress reducing — think of the Mediterranean.
- Light red is bold, warming, energizing and courageous.
- Green brings harmony and balance to the spirit.
